REPORTING SUSPICIOUS ACTIVITY

The Department of Homeland Security (DHS) encourages the maritime public to report information concerning suspicious activity to their local Federal Bureau of Investigation (FBI) Joint Terrorism Task Force (JTTF) Office, www.fbi.gov/contact/fo/fo.htm, or to other appropriate authorities. Individuals can contact the DHS Watch and Warning Unit at (202) 323-3205, toll free at 1-888-585-9078, or by e-mail to nipc.watch@fbi.gov. The U.S. Coast Guard reminds the maritime industry that they may also report information concerning suspicious activity to the National Response Center (NRC) at 1-800-424-8802.

IV CHART CORRECTIONS

This section contains corrections to federal and private maintained Aids to Navigation, as well as NOS corrections.

This section contains corrective actions affecting chart(s). Corrections appear numerically by chart number, and pertain to that chart only. The mariner must decide which Chart(s) to correct. The following example explain s the individual elements of a typical chart correction.

Chart Number	Chart Edition	Edition Date	Last Local Notice to Mariners	Horizontal Datum Reference	Source of Correction	Current Local Notice to Mariners
↓	↓	↓	↓	↓	↓	↓
12327	91 st Ed.	04/19/97	LAST LNM 26/97	NAD 83	(CG1)	27/97

Add	National Dock Channel Buoy 3, green can					40°41'09.0"N 074°02'48.1"W
↑	↑					↑
Corrective Action	Object of corrective Action					Position (Degrees, minutes, seconds and tenths)

The letter (M) immediately following the chart number indicates that the correction should be applied to the Metric side of the chart only. (Temp) Indicates that the chart correction action is temporary in nature. Courses and bearings are given in degrees clockwise from 000 true. Bearings of light sectors are toward the light from seaward. The nominal range of lights is expressed in nautical miles (NM).

NY/NY STATE CANAL SYSTEM	27 June 2003	39/02
NEW ENGLAND	FY 03	32/02

PUBLIC MEETING ANNOUNCEMENT - U.S. DEPARTMENT OF HOMELAND SECURITY - U.S. COAST GUARD - U.S. DEPARTMENT OF THE INTERIOR - NATIONAL PARKS SERVICE - The U.S. Coast Guard (USCG) and the National Parks Service (NPS) are holding a Public Information Meeting on Tuesday, **May 27, 2003** at 5:30 p.m. at the Chapel at Fort Tilden, Rockaway Point Boulevard, Rockaway, New York to present information relating to the NPS plans to expand Gateway National Recreation Area by developing the property currently managed by the USCG as Station (Small) Rockaway.

NPS plans include establishment of public ferry service, rehabilitation of the main station building for possible use as a small hotel/bed and breakfast facility, and development of other waterfront facilities including at least one restaurant, all to serve the communities located on the Rockaway peninsula and around Jamaica Bay. NPS plans also include permanent facilities for the U.S. Park Police and cooperating law enforcement and maritime rescue agencies.

The USCG is in the process of consolidating its New York operations to improve efficiency in overall operations and response to maritime emergencies in the New York metropolitan area including Jamaica Bay. In order to complete this consolidation, the one USCG small boat assigned at Rockaway would be moved to USCG Station New York on Staten Island. The USCG would close Station Rockaway and transfer ownership of the Rockaway property to the NPS. The USCG would continue routine patrols of Jamaica Bay/Rockaway area waters, along with other federal, state and local law enforcement and rescue agencies.

The purpose of this informational meeting is to inform the public, including area mariners about the NPS and USCG plans concerning the property at Rockaway's Riis Landing, and to seek the public's comments on these plans. After the NPS and USCG present the information, members of the public wishing to make oral presentations will be afforded the opportunity to do so in the time remaining.

Should you be interested in this matter but unable to attend the meeting, you may submit written comments to: Commander Mike McAllister, Coast Guard Activities New York, 212 Coast Guard Drive, Staten Island, NY 10305 or Mr. Chris Soller, Gateway National Recreation Area, Headquarters Building 69, Floyd Bennett Field, Brooklyn, NY 11234. All comments must be received no later than **June 3, 2003**.
